Town Warrant

STATE OF NEW HAMPSHIRE

To the Inhabitants of Dalton, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Dalton on Tuesday, the 8th of March next at ten o'clock in the forenoon to act upon the following subjects. The polls will be open at 11 o'clock.

1. To choose all necessary Town Officers for the ensuing year.

2. To see if the Town will accept the Budget for 1960 prepared by the Selectmen and appropriation of the amounts therein or to make any changes.

3. To see if the Town will vote to raise and appropriate the sum of \$61.41 for the purpose of uniting with the 45 other towns in the White Mountains Region Association in publicising and otherwise promoting the natural and commercial factors upon which the economy of the North Country is based.

4. To see if the Town will vote to raise \$50.00 for Civil Defense and make appropriation for same.

5. To see if the Town will vote to give the Selectmen the right to issue temporary loans in anticipation of taxes.

6. To see if the Town will vote to raise \$25.00 to be expended in cooperation with the New Hampshire Forestry and Recreation Commission for the opening and maintaining of trails and old roads for forest fire protection. The New Hampshire Forestry and Recreation Commission to provide a matching sum not in excess of \$25.00 for this purpose.

7. (Included by request) To see if the Town will authorize the Board of Selectmen to borrow on the credit of the town a sum of money needed, not to exceed \$10,816.96 to finish the construction of the Manns Hill road to the Littleton town line. This is to be paid over a period of three years, the town's share to be \$470.65 for each of the three years. The rest of this money is to be made up by State funds of \$3,136.67 for each of the three years. Payments to start in 1962.

8. (Included by request) To see if the town will vote to extend the black top pavement five-eighths of a mile from the Forest Lake State Park turn-off to the T-intersection of Forest Lake Road and Ridge Road known locally as Smith Corners. This area to include the approaches to the mail-boxes at this point.

9. (Included by request) Duties and Salary of Road Agent: To see if the town will vote to place the operation, maintenance and management of all road equipment in the hands of the road agent and to pay him a salary of not less than \$2500.00 for full-time work. The road agent may use the time not required in specific duties to do work for the state and private individuals' proceeds to go to the town account toward the expenses of his salary.

Responsibilities of the Road Agent: He will be in charge of all highway appropriations approved in the town budget and voted by the town. Any appropriations for special work voted by the town shall be itemized and accounted for separately. He will be bonded to the town's benefit for all sums for highway expenses voted by the town.

Construction Emergency: Where mistakes in estimate occur, or emergencies such as flash flood; money may be allocated by the selectmen not to exceed \$100 for repair or completion of work undertaken. Larger sums will be voted by the town at regular or special town meeting, a simple majority being required.

Personnel Emergency: In case of need for replacing the road agent a substitute may be appointed by the selectmen whose service may be of 4 weeks duration only—a new road agent will be elected as called for above under "Construction Emergency".

Accountings of Money: While having sole charge of all highway expenditures the road agent shall keep weekly accountings of expenditures. The road agent shall have such weekly accountings of expenditures on his work accessible to the people of the town at the Town Office and shall prepare them for inclusion in the town report.

Cooperation Between Road Agent and Selectmen: He shall cooperate with the selectmen in the physical planning, layout of roads and highway and in allocation of the town funds thereto so that these may be coordinated with state town road aid and other appropriation under the jurisdiction of the selectmen. The road agent shall be paid by the selectmen and he in turn shall pay his employees.

10. (Included by request) To see if the town will vote an additional salary of \$50 a year to the selectman in charge of keeping the town accounts.

11. To transact any other business that may legally come before this meeting.

Given under our hands and seal this 13th day of February, 1960.

Health Report

January 8, 1960

To the Citizens of Dalton:

During the year 1960, 28 visits were made to the town. These visits were as follows:

Clothing	3	Preschool	53
Crippled Children's Services	17	Preschool Clinic	1
Hemaplegia	12	Regard Polio	4
Impetigo	2	Regard Triple	1
Infants	4	School	5
Patch Testing	78	Sight Conservation	1
Polio Clinic	1	Tuberculosis	3
		Whooping Cough	2

In the Spring, 91 children received Immunizations at the Triple Toxoid and Salk Vaccine Clinics held in Whitefield:

Boosters 54, Preschool 10, School 44

Triple—2 infants started the series but did not return; 5 Preschool started and finished the series; 2 School started and finished the series.

Salk—Under 5 years, 5 started and 4 finished second injections; 5-9 years, 1 received third injection; 10-14 years, 1 received third injection. Vaccination 1.

In January, 13 children received Salk Immunization at a clinic held in Whitefield, and in December, 121 children received Immunizations at Dalton. Dalton children received the following Salk Immunizations during the year: 13 first injections, 9 second injections, 14 third injections, and 104 fourth injections.

In May, a Well Child Conference was held, attended by 14 children. Three vaccinations were administered, and 14 Patch Tests given.

One child has been attending the Orthopedic Clinic in Berlin and has received treatments through the Crippled Children's Services.

I would like to see a Dental Program started this Spring from the Preschool children, as I feel there is a definite need for this service.

It has been a pleasure to work with the Citizens of Dalton, and at this time I would like to thank them for their co-operation, and I sincerely hope they will feel free to call on me if I can be of any service to them.

Respectfully submitted,

ELEANOR D. KENNEY, R. N.
Public Health Nurse, Coos County
N. H. State Department of Health

Prevention Is Everybody's Business

The year 1959 was fortunate from a forest fire standpoint. New Hampshire had the best record in the nation. Fewer acres were burned, suppression costs were substantially reduced and damage to woodlands held to a minimum. The record resulted from a combination of favorable weather conditions, an alert warden service and a cooperating public.

Yet, despite all this, there still persists a disturbing note—58%, or 6 out of every 10 fires in 1959 were caused by careless smokers and debris burners; 10%, or 1 out of every 9 fires was caused by children.

Careless, indifferent, thoughtless and independent minded individuals and failure of parents to properly supervise children and keep matches out of their reach, annually cause these unnecessary fires which cost large sums to extinguish and cause extensive damage. The elimination of these three causes of fires would radically change this picture. The rules are simple—

1. Before burning, secure a permit from your local forest fire warden—the law requires it.
2. Be sure to properly supervise your burning.
3. Make certain your fire is DEAD OUT before leaving it.
4. Don't throw lighted matches, cigars and cigarettes from moving vehicles—use your ash tray.
5. Don't burn at home—Use your town dump and save yourself much possible difficulty, both personal and financial.

Number of acres burned—.26

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Dalton:

It is with pleasure that I submit my annual report relative to your school.

The enrollment of eighty-two pupils in the school this year shows a decrease of six under last year. Reports to this office indicate there are sixty-eight tuition pupils registered in neighboring schools in the area. Whitefield reports twenty-two in the senior high school, thirty-four in the junior high, and three in the lower grades. There are three high school pupils in Littleton, one in St. Johnsbury, and one high school and four elementary pupils in Lancaster.

We were sorry to lose Mrs. Gladys Fearon because of illness, and sincerely hope she will soon be well and strong and able to return to the primary grades in the fall. Her classes are being well taken care of at the present time by Mrs. Edith Burbank.

The school lunch program continues to operate under the able direction of Mrs. Eleanor Bell, with most of the children participating. The school also participates under the Special Milk Program and receives some reimbursement from Federal funds. Federal foods are furnished regularly to assist in the lunch program.

Your budget for next year is only slightly more than the amount requested for the present year. The major item is that of tuition, and the Whitefield School District is leaving the rate the same for the coming year.

Backboards are being installed in the gymnasium and when these are completed the older pupils will have the opportunity to participate in some basketball. This work is being done by interested citizens and the cost to the school district is negligible.

A portable stage has been ordered for the auditorium. This can be folded and rolled away in sections and should add greatly to the use of the room. Plans are underway to move the playground equipment from the rear of the town hall to the rear of the new school when conditions are such that this job can be done. It is hoped that the area in front of the school can be prepared and seeded to lawn this spring.

Included in this report will be found the report of school nurse, statistical report, financial report of the building committee, list of tuition pupils and teacher list.

In closing, I wish to express my appreciation to the citizens of Dalton, the school board, teachers and other school district personnel for their continued cooperation.

Respectfully submitted,
LESLIE S. CUMMINGS

HEALTH REPORT

To Superintendent Cummings and Members of the Dalton School Board:

I submit the school health report for 1959.

Physician's Work—22 physical examinations by Dr. Jorge deVillafane. Defects included the following: 4 ears, 7 tonsils and adenoids, 4 glands, 3 acute lung cases, 3 heart murmurs, and 2 skin infections. Fourteen pre-school physical examinations by Dr. MacKenzie Hume. Defects included the following: 5 orthopedic cases (feet), 3 tonsils and adenoids, 1 gland, 1 skin, 1 nutrition case.

Immunizations: Dr. deVillafane, Dr. Wilson and Dr. Hume. Triple Toxoid 50; Polio 89, 82 injections was the fourth shot; Smallpox vaccinations, 4 pre-school; Patch test, 14 pre-school, no reaction.

Dental Work—Dr. Millard Clark, Littleton

No. of pupils treated, 73

No. receiving free care, 10

No. paying part cost, 63 @ \$1.00 each

Total number of fillings, 51

Total number of cleanings, 73

No. of temporary teeth extracted, 5

No. of permanent teeth extracted, 3

No. of X-rays, 2; Total number of visits, 82.

The dental clinic is sponsored by the Dalton Community Club to which the State Welfare Department offers a fifty (\$50.00) dollar matching fund.

Clinics sponsored by the State Health Department under the supervision of Eleanor Kenney, R. N., Coos County Public Health Nurse, were the immunization clinics for diphtheria, whooping cough, tetanus, smallpox and poliomyelitis, and the pre-school well-child clinic.

Other clinics under the State Department sponsorship to which we sent pupils are as follows:

Hitchcock Clinic, Hanover—One hearing case and one skin case. Both under Crippled Children's Services.

Pediatric Diagnostic Clinic, Littleton—3 pupils examined.
Orthopedic Clinic, Littleton—1 pupil examined and referred

to the Littleton Physio-therapy Clinic for exercises to help correct a mild curvature of the spine.

Three sight conservation cases were financed by the State Welfare Department.

Tuberculosis Work: Patch testing 86, 2 positive reactions; Chest X-ray clinic—16 films taken including the two positive reactors. No active cases of tuberculosis detected.

Nurse's Work: Hearing tests 125, 44 defects. Follow up work being done to relieve defects. Inspections 207, 7 defects, 7 corrections. Heights and weights 256. A report was sent to all parents with recommendations for correction of marked overweight or underweight. Instruction was given in dental and first aid technique in Grades V and VI. Home visits 87. I attended two conferences on Nursing Education and the annual School Nurses' Conference in Concord.

Communicable diseases were held to a minimum. Records show the following: German measles 7, Chicken Pox 18, Mumps 2, Impetigo 2.

I wish to take this opportunity to thank the teachers and Mrs. Maurice Bell for their fine spirit of cooperation in trying to maintain a good health program.

Miss Kenney and I sincerely appreciate the assistance given us in the clinics by Mrs. Ralph Dexter, Mrs. Hamilton Lavers and Mrs. Warren Thayer, Sr.

The parents and other interested citizens who furnished transportation for the dental clinics are to be commended for their interest and generosity.

Respectfully submitted,

ILSA MCGINLEY, R. N.
